

Anti-NS1(Dengue Virus 4)

| | |
|----------------|---|
| Product Name | Anti-NS1(DENV4) |
| Catalog No | IT-006-0055M2 |
| Source | Mouse monoclonal antibody, clone 7D8 |
| Isotype | IgG1 |
| Formulation | Each vial contains 100 µg purified IgG in 100 µl PBS with 40% glycerol |
| Immunogen | DNA vaccine expressing NS1(Dengue virus 4/VE/BID-V2491/2007) (a.a. 1-352) (Genebank No. ACQ44391) |
| Applications | ELISA, IP, IF etc. |
| Epitope | Conformational |
| Specificity | Reacts with NS1 from DENV4. Not cross-reactive to NS1 from DENV1, 2, 3, JEV, WNV, and TEV as tested. |
| Storage | Store at 4°C, stable for 6months from the date of shipment. For long term storage, aliquot, and freeze at -80°C. Non-hazardous. No MSDS required. |
| Use Limitation | For research use only, not for use in diagnostic procedures. |
